**DANGER — ULTRAVIOLET RADIATION.**

Follow instructions. Avoid overexposure.

As with natural sunlight, overexposure can cause eye and skin injury and allergic reactions. Repeated exposures may cause premature aging of the skin and skin cancer.

**WEAR PROTECTIVE EYEWEAR;**

FAILURE TO DO SO MAY RESULT IN SEVERE BURNS OR LONG-TERM INJURY TO THE EYES.

Medications or cosmetics may increase your sensitivity to the ultraviolet radiation. Consult physician before using sun lamp if you are using medications or have a history of skin problems or believe yourself especially sensitive to sunlight.

If you do not tan in the sun, you are unlikely to tan from the use of this product.

RETAIN THESE USER INSTRUCTIONS FOR FUTURE REFERENCE AND LAMP COMPATIBILITY INFORMATION.

**WARNING —** Instructions accompanying the sunlamp product should always be followed to avoid or minimize potential injury. Always wear protective eyewear!

PRIVATE LABEL  
LAMP CERTIFICATION  
& USER INSTRUCTIONS

Updated 1 July 1998  
Reviewed 23 June, 2000

Herewith we certify that the sunlamps listed in the following chart under the heading "Private Lamp Model" are private brand versions of the corresponding Cosmedico CosmoLux® lamps listed under the heading "COSMEDICO Lamp Model". The CosmoLux® lamps and their corresponding private brand versions produce the same spectral power distribution, therefore, the efficiencies with respect to erythema, as well as melanogenesis, in accordance with Federal Standard CFR 1040.20, are also the same. The below listed CosmoLux® lamps are suitable as certified replacement lamps for their corresponding private brand versions.
