

# Programs from the Knox County Health Department

The Knox County Health Department is pleased to announce free programs that teach students about healthy choices. Trained staff from the Knox County Health Department will be presenting the programs to your class.

These programs will be available throughout the school year. To request a program for your class, please fill out the program request form and fax or mail to the address below. Please send in this form at least two weeks before your program date to allow us to schedule our staff time. All requests will be acknowledged and confirmed.

Program Topics (Please Circle One)

|                  |                                  |          |
|------------------|----------------------------------|----------|
| KCHD Services    | Puberty                          | R.I.S.K. |
| Personal Hygiene | Sexually Transmitted Disease/HIV |          |
